Escape to your island getaway—however, whenever, and wherever you want

Explore your island

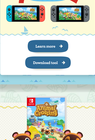
Collect bugs, fish and more to fill your museum throughout the day, or enjoy sunset on the beach with friends. Nothing is the ocean.

Explore

Create your getaway

Craft everything from tools to your creative comforts as you create and customize your island community.

Create



Share your paradise

Show off your island utopia to family and friends—or just to Nook Inc. visitors and Villagers.

Share

What are other residents saying?

This place is the perfect size. Too big to see anyone, but too small for a real vacation to attract!

– Alfonso

Personally? This island is definitely the best Animal Crossing game in Marvel's, or at least Peppy's, of Quest Ia.

– Rosie

Who are you? What is this for? I already discussed my vacation home here!

– Audrey

Move a single player or your entire island to another system

Have you thought about moving your island paradise to a different Nintendo Switch system? Or needed data to another Nintendo Switch system, or download the free Island Transfer tool to move your whole island from one system to another.
