

Create Nintendo Account

If you use one of the following services, it's even easier to create a Nintendo Account.

Google

Sign up with Apple

If you do not have any of the accounts listed above, please enter your information below.

Nickname

Note: We use your nickname when we contact you directly, such as in emails about your Nintendo Account. It will not be shown to others without your permission.

Email address

Some users in Japan or elsewhere might have email addresses associated with their mobile phones. We recommend using a computer or web-based email service to create your Nintendo Account.

Password

Confirm password

Date of birth

You can't change your date of birth later.

Gender

Country/region
